SCS-Workshop

Workshop Johnson&Johnson; &
Swiss College of Surgeons

VATS Simulator

Unterstützt von: **Johnson & Johnson AG**

Dieser Kurs findet unter dem Patronat des Swiss College of Surgeons (SCS) statt, welches eine Teilnahme empfiehlt. Faculty: Dr. Perentes & Dr. Gonzalez (CHUV, Prof. Krueger), Dr. Karenovics (HUG, Prof. Triponez)

The main purpose of the course is to build & improve skills in Video Assisted Thoracic Surgery. The delegates will have the chance to get familiar with a number of important VATS related exercises during a hands-on session on three different simulators. The expert faculty will share their experience and assist on each step to ensure the highest outcome of the course. The scope of the exercises will reach from basic thoracoscopic skills followed by a wedge resection and finally completing with a lobectomy on a high fidelity, three-dimensional lung prosthesis.

Cours fee: CHF 150.00 / Max. participants: 6-9 delegates / Inscription: E-mail to gpoletik@ITS.JNJ.com
